

CLA-LH

Ceiling Mounted Dehumidifier

Features

- Efficient dehumidification capacity:** The ceiling-mounted design can effectively remove the moisture in the air and reduce the humidity to an ideal level, making your space comfortable and dry.
- Accurate humidity control:** The product is characterized by precise humidity control, which can be controlled within the range of $\pm 1\%$, allowing you to maintain an ideal humidity level anytime, anywhere.
- Quiet design:** With silence as the core of product design, you can enjoy the quiet and comfortable space environment while enjoying the dehumidification effect.
- Multiple use scenarios:** Whether it is household crawl space, swimming pool dehumidification, or grow room and commercial places, this ceiling-mounted dehumidifier is suitable for your convenience.
- Intelligent control:** The product has an intelligent control system, which can realize remote operation control, so that you can control the dehumidifier anytime and anywhere.
- Safe and reliable:** The use of high-quality materials and advanced technology ensures that the product is safe and reliable, and there will be no failure or problem in long-term use.
- Energy saving and environmental protection:** The dehumidifier adopts an energy-saving and environmental protection design, which will not cause any pollution to the environment, and can also save energy to the greatest extent, making your use more cost-effective and convenient.
- Simple and easy to use:** The product design is simple and easy to use, which is convenient for you to install and operate, so that you can get started quickly and enjoy a more convenient dehumidification experience.

Specifications

Model	CLA-26LH	CLA-58LH	CLA-90LH	CLA-138LH
Product Type	Ceiling Mounted Dehumidifier			
Water Removal (L/D) (30°C-80%RH)	26	58	90	138
Power Supply	220V/50Hz			
Power Consumption (W)	180	800	1000	1200
Air Volume (m ³ /h)	260	550	1000	1200
Air Volume (CFM)				
Noise Level	<45dBA		<55dBA	
Operating Range	5-38°C			
Applicable area (m ²)	15-30	30-70	70-120	90-150
Drainage	Drainage pipe drainage			
Drainage outlet size	16mm			
Refrigerant	R410a			
Humidity adjustment range	10%-90%RH			
intake size	150mm	160mm	300*340	300*340
supply size	100mm	160mm	225*190	225*190
Product Size(mm)	685*310*211	830*490*370	900*640*470	900*640*470
Packing Size(mm)	750*360*320	880*550*480	1030*700*635	1030*700*635
Net Weight (Kg)	16	35	49	53
Gross Weight (Kg)	26	49	65	66
